

WEST VALLEY SANITATION DISTRICT

District Manager and Engineer

Due to a pending retirement, the Board of Directors for the West Valley Sanitation District (WVSD) is seeking a District Manager & Engineer with excellent leadership skills and the ability to manage a small, high performance organization providing wastewater services to over 110,000 people in four cities and nearby unincorporated areas of Santa Clara County. The ideal candidate will have a strong commitment to public service and a positive, approachable leadership style combined with a blend of technical expertise and proven management experience in the public sector. Candidates for this position should be forward thinking and adept at working with people of diverse backgrounds and interests to achieve common goals. Minimum requirements for eligibility include profession registration as a licensed civil engineer in the State of California and a clean driving record. The salary for the District Manager & Engineer is open and dependent upon qualifications. A complete job description and other information about WVSD can be found on the district's website at www.westvalleysan.org. If you are interested in this outstanding employment opportunity, submit a resume, cover letter and five professional references by February 24, 2012 either online to: lluu@westvalleysan.org, or by mail to: West Valley Sanitation District, 100 E. Sunnyoaks Ave., Campbell, CA, 95008, Attn: Lesha Luu, Director of Administrative & Information Services.
